Bylaw I General

SECTION I.1. SCOPE These bylaws govern the proceedings of this chapter in all matters not specifically provided for in the Constitution, Bylaws, and Convention Acts of the Tau Beta Pi Association.

SECTION I.2. PRECEDENCE The governing precedence of this chapter is:

1. All rules and regulations of the University of Michigan and the College of Engineering that apply to honor societies.
2. The Constitution, Bylaws, and Convention Acts of the Tau Beta Pi Association.
3. These chapter bylaws.

In the event of a conflict between the Constitution and Convention Acts of the Tau Beta Pi Association, and the rules and regulations of the University of Michigan and the College of Engineering, this chapter will notify the Tau Beta Pi Association of any such conflicts and of this chapter's action with regard to these conflicts. Unless otherwise stated, all official business of the chapter must be conducted in accordance with Robert's "Rules of Order" Revised, subject to the provisions of the governing precedence of the chapter.

Bylaw II Government

SECTION II.1. CHAPTER OFFICERS The officers of this chapter are a President, Vice President, Corresponding Secretary/Recording Secretary/Cataloguer (hereafter referred to as Secretary), Treasurer, two External Vice Presidents, Website Officer, Service Coordinator, Corporate Relations Officer, Activities Officer, Graduate Student Coordinator, New Initiatives Officer, two K-12 Outreach Officers, Campus Outreach Officer, Intersociety Officer, Membership Officer, Operations Officer, Historian, and Publicity Officer, and all ad hoc officers listed in Appendix E.7. All officers must be members. In addition to the duties specified in the [Tau Beta Pi Association Bylaws 5.03](#), the duties described in Appendix E are required of the officers.

SECTION II.2. ADVISORS The chapter must maintain a minimum of four advisors, as stipulated in [C-VI,7](#) of the Constitution of the Tau Beta Pi Association. An advisor must be an initiated member of Tau Beta Pi. Additionally, advisors must be a faculty member, a national official, an alumni of MI-Γ with appropriate chapter experience, a graduate student with appropriate chapter experience, or a former chapter president. One of the advisors must serve as the chapter's Chief Advisor. This advisor will be determined by the advisors and must be a faculty member. The advisors are responsible for ensuring chapter continuity.

SECTION II.3. ADVISORY BOARD The Advisory Board is composed of the Executive Committee and the Chapter Advisors. The Treasurer serves as a non-voting member of the Advisory Board. The voting advisors for the Advisory Board are the Chief Advisor and the three most senior advisors.

- (a) Seniority is measured as time spent in the current advisor term.

- (b) In the event of a tie affecting determination of voting advisors, the President will determine the voting advisor(s) from among those tied by a suitably random method before each contested vote.

SECTION II.4. OFFICER CORPS

- (a) **MEMBERSHIP AND RESPONSIBILITIES** The Officer Corps consists of the officers and advisors of the Chapter, and any other persons deemed necessary by the officers. The officer corps:
 - (i) Sets the level of initiation dues.
 - (ii) Administers funds available for Tau Beta Pi scholarships according to procedures established in writing by the officer corps, unless a different method of administration is specified for the funds.
 - (iii) May, with Advisory Board approval, create ad hoc officer positions. These positions:
 - 1. Must be listed in Appendix [E.7](#).
 - 2. May be placed on a new or existing Team (see Section [II.4.b](#)).
 - 3. May only last for two terms, after which time they must be approved by the general body. This can be either as a permanent officer position, or as an extension of the ad hoc position. An extension of the ad hoc position requires a simple majority vote of the body, and may not be for longer than another two terms. An officer position may not exist as ad hoc for more than four consecutive terms. Any ad hoc position that has existed for four consecutive terms cannot be recreated as ad hoc without a gap of at least two terms.
- (b) **OFFICER TEAMS** The officer corps is organized into teams. These teams are the Executive Committee, Professional Development Team, Service Team, Chapter Team, Social Team, and Electee and Membership Team. The lead and membership of each team is defined in Appendix [E](#).
 - (i) **TEAM LEADS** Team Leads are responsible for the oversight and coordination of the team and for ensuring that team members tasks are completed. Team members retain responsibility for how their tasks should be completed. Team Leads are additionally responsible for serving as mentors for their team members when necessary.
 - (ii) **PURPOSE** Teams are intended to assist the President in overseeing the officers, to create additional opportunities for leadership growth, and to help facilitate mentoring of newer officers. They are not intended to segment the decision making of the officer corps, and as such most communication and discussion should happen amongst the entire officer corps.
 - (iii) **EXECUTIVE COMMITTEE** In addition to the individual responsibilities of the constituent officers, the Executive Committee is collectively responsible for setting the semester calendar and for designating the Convention Delegate (fall term).

SECTION II.5. COMMITTEES

- (a) **PURPOSE** Committees are intended to facilitate additional chapter activity and provide members additional involvement opportunities. Committee function and schedule will be determined by the chair, with input from the committee members. Committees are distinct from Teams in that Teams are comprised of officers with similar but distinct responsibilities, while committees are open to any member, per their selection procedures, and are, in general, geared toward a more focused task.
- (b) **STANDING COMMITTEES** The standing committees are the Professional Development Committee, Website Committee, Book Swap Committee, and Group Leaders Committee. The membership and duties of each are listed in Appendix F.2.
- (c) **AD HOC COMMITTEES** In addition to the standing committees, the officer corps, with Advisory Board approval, may create ad hoc committees. These committees:
 - (i) Must be listed in Appendix F.3.
 - (ii) May be chaired by an officer or another active member, as selected by the officer corps.
 - (iii) Will be composed of members on a volunteer basis. (In the event of detrimental participation and at the recommendation of the committee chair, the officer corps may remove a member of the committee.)
 - (iv) May last a maximum of two years, after which time they must be approved by the general body. This can be either as a permanent committee, or as an extension of the ad hoc committee. An extension of the ad hoc committee requires a simple majority vote of the body, and may not be for longer than another year. A committee may not exist as ad hoc for more than three years. Any ad hoc committee that has existed for three years cannot be recreated as ad hoc without a gap of at least one year.

SECTION II.6. TERMS OF OFFICE The officers of this chapter hold office for one semester except for the External Vice Presidents, one K-12 Outreach Officer, and Treasurer, whose terms are one calendar year, and the Secretary, the remaining K-12 Outreach Officer, and Corporate Relations Officer, whose term is one academic year. Ad hoc officer positions specified in Appendix E.7. will have terms of one semester, unless otherwise specified. Advisor terms are decided as part of the advisor election procedure, as described in Bylaw IV.5.

Bylaw III Election of Officers

SECTION III.1. OFFICER ELECTION MEETING Officers (with the exception of those listed in Bylaw V.1) are elected at the election of officers meeting scheduled between the second election of candidates meeting and the formal initiation ceremony each semester. Electees and active members are eligible to vote and run for office.

SECTION III.2. ACTIVE STATUS FOR VOTING MEETINGS At the beginning of the election meeting:

- (a) The Advisory Board may deactivate any member as specified in the [Tau Beta Pi Association Bylaws Section 6.06](#); criteria include non-attendance at that meeting. Unless otherwise specified by the Advisory Board, members so deactivated are automatically reactivated at the end of the meeting.
- (b) Alumni members present, including those on the Advisory Board, may apply for active status.

SECTION III.3. INCUMBENT ELIGIBILITY Any officer is eligible for election or re-election to any available office, except the outgoing President, who is not eligible to serve as an officer in the following semester.

SECTION III.4. NOMINATIONS Nomination of officers can be made from the floor at the time of the election. Additionally, nominations may be presented to the current officers prior to the elections and announced at the beginning of the election meeting.

SECTION III.5. ELECTION ORDER The order of election must begin with President, Vice President, Secretary (Winter term), and Treasurer (Fall term). After these elections, the default order is first the election of all remaining Team Leads, in the order presented in [Appendix E](#), and then the remaining elected offices, again in the order presented in [Appendix E](#). Following the four listed positions, the remaining order can be changed from the default by motion from the floor; however, a Team Lead must be elected prior to anyone else on that Team.

SECTION III.6. CANDIDATE SPEECHES Each nominee to a contested office can give a speech to, and answer questions from, the general assembly but other contestants for the office will not hear either. All nominees are limited to 2.5 minutes (up to 1.5 for speech) except those for President and Vice President for whom the time limit is 5 minutes (up to 3 for speech), and the remaining Team Leads for whom the time limit is 3.5 minutes (up to 2 for speech). These limits may be extended for any office by motion from the floor, provided that the extension affect each candidate equally. Remote or proxy speeches must be allowed, provided that the officers have been notified at least 24 hours before the start of the meeting of a candidate's desire to provide such a speech. Proxies may not take questions on behalf of a candidate.

SECTION III.7. CANDIDATE DISCUSSION Following all speeches for each office, the general assembly, excluding the outgoing President, will engage in discussion concerning the candidates. Following his/her election, the incoming President may not take part in the discussion of the candidates. Incoming Team Leads may not take part in the discussion of candidates for positions on their respective Teams. This discussion must remain strictly confidential and is limited to matters pertaining to an individual's ability to successfully carry out the responsibilities of the office.

SECTION III.8. WINNING THE ELECTION The nominee that receives a plurality in the blind vote will be granted the officer position. In the case of a tie, a second vote will be held between the leading candidates; this will be continued until a nominee receives a majority. In the event of a tie resulting in no leading candidates, another discussion of the candidates will be held. In all elections the votes must be counted by three individuals who must be either advisors or officers not pursuing election that semester. In the event of an uncontested election, the candidate may be granted the officer position by voice vote.

SECTION III.9. TERM COMMENCEMENT The new officers will take office on the day following initiation.

SECTION III.10. VACANT OFFICES If any office becomes vacant between the regular elections, a special election will be held at the next general meeting to fill any and all vacancies. The officer(s) elected at that time will serve for the remainder of the vacated term.

Bylaw IV Election of Advisors

SECTION IV.1. ELECTION MEETING, QUORUM, ELIGIBILITY, AND NOMINATIONS Election of advisors will take place at the officer election meeting, under the same quorum, active status, and nomination procedures as described in Bylaw III. Anyone meeting the criteria in Bylaw II.2 is eligible to run for an advisor position.

SECTION IV.2. CANDIDATE SPEECHES Each advisor nominee may give a speech to, and answer questions from, the general assembly. All nominees are limited to 1.5 minutes for both speech and questions and answers. These limits may be extended by motion from the floor.

SECTION IV.3. CANDIDATE DISCUSSION Following each speech, the general assembly will engage in discussion concerning the candidates. Since each advisor is treated as its own office, in the event that multiple advisors pursue election in the same term, it is not necessary for anyone but the candidate in question leave the room for discussion. This discussion must remain strictly confidential and is limited to matters pertaining to an individual's ability to successfully carry out the responsibilities of the office.

SECTION IV.4. WINNING THE ELECTION Each advisor that receives a majority of the votes cast (not counting abstentions as a vote for or against) will be elected to office. The votes must be counted by three individuals who must be either advisors or officers not pursuing election that semester.

SECTION IV.5. TERM LENGTH Advisor term length will be subject to motion from the floor as part of the election proceedings. An advisor candidate must indicate his/her preferred term length, and cannot be elected to a term longer than that. The maximum length for an individual term is three years. The term length is considered part of the motion to elect and therefore may be amended by the body. If an advisor fails to receive a majority of votes cast, a motion may be made to elect him/her to a shorter term, to a minimum of one semester.

SECTION IV.6. TERM COMMENCEMENT Advisor terms begin on the day following initiation.

Bylaw V Appointment of Officers

SECTION V.1. APPOINTED OFFICES The following officers will be appointed by the Officer Corps: the External Vice Presidents (EVPs), the Website Officer, and any ad hoc officers specified in Appendix [E.7](#).

SECTION V.2. DEFAULT APPOINTMENT PROCEDURE Unless otherwise specified, the procedure for filling appointed officer positions is:

- (a) An application will be made available at least 2 days prior to the officer election meeting.
- (b) The content of application will be decided upon by the current presidents and, where applicable, the current holder(s) of the office in question.
- (c) The application will remain open for a minimum of one week from the date it is provided to the membership, but will not close less than 3 days after the officer election meeting.
- (d) Following the close of the application, interviews may be held for some or all of the applicants at the discretion of the reviewing committee. If needed, at most three interviewers will be determined by the reviewing committee. The default interviewers will be the current president, the current lead for the Team in question and, where applicable, the current holder of the office in question.
- (e) The reviewing committee will consist of:
 - (i) The current Executive Committee,
 - (ii) The incoming President,
 - (iii) The current lead for the Team in question,
 - (iv) The current holder of the office in question, and
 - (v) Any active member deemed necessary by the above groups.

The current president may not vote, except in order to break a tie. The incoming president may not vote. In addition, active members may request participation in the reviewing committee, to be approved by the Executive Committee.

- (f) A person applying for an office may not participate as an interviewer or part of the reviewing committee for that office.
- (g) The reviewing committee will meet to consider the received applications and, if applicable, interview results. They will select the best candidate(s) by means of a majority vote.

SECTION V.3. EXTERNAL VICE PRESIDENT APPOINTMENT The External Vice Presidents (EVPs) will be appointed in the standard procedure, with the following modifications:

- (a) The application will be made available at least three weeks prior to the officer election meeting.
- (b) The application will remain open for at least two weeks.
- (c) Interviews must be conducted. The interviewers will be the current president and EVPs. In the event any interviewer is unable to attend an interview, or is himself/herself an applicant, a substitute will be determined by the interviewers.
- (d) The reviewing committee will be the current President, Vice President, Secretary, and both EVPs. In the event that any members of this committee apply for EVP, they will be recused from the decision. The first vacancy will be filled by the Treasurer, unless he/she applies for EVP. Any remaining vacancies will be filled by advisors.
- (e) The reviewing committee will decide the two most suitable candidates between the conclusion of the interviews and the start of the officer elections meeting.

SECTION V.4. AD HOC OFFICER APPOINTMENT Any ad hoc officers will be appointed in the standard procedure, with the following exceptions:

- (a) The application may be made available whenever is deemed most appropriate by the officer corps.
- (b) The application may close whenever is deemed most appropriate by the officer corps, provided that it has remained open for a minimum of one week from the date it was provided to the membership.

Bylaw VI Meetings

SECTION VI.1. GENERAL MEETINGS The following regular meetings will be scheduled and held once in the Fall Term and once in the Winter Term: a general actives meeting; two candidate informational meetings ("comities"); two election of candidates meetings; three electee/actives meetings; an election of officers meeting; and the formal initiation. The regular meeting schedule will be published prior to the first meeting of each semester.

SECTION VI.2. OFFICER/ADVISOR MEETINGS Officer/advisor meetings are held to update all officers on chapter matters and confirm general meeting agendas. In general, the officer/advisor meetings should be held before scheduled regular meetings, and whenever else needed at the discretion of the President. There must be at least three officer/advisor meetings and one officer/advisor transition meeting.

SECTION VI.3. NEW INITIATIVES MEETINGS These meetings are to be held throughout the semester for the purpose of proposing and brainstorming new opportunities for the chapter to become involved in the University and Ann Arbor communities, as well as future projects and directions for the chapter. This can include opportunities related to recruiting new members, improving chapter image, and providing additional professional development activities.

SECTION VI.4. SPECIAL MEETINGS Special meetings may be called at any time by the President, by any chapter advisor, or upon written request to the President signed by five active members. If any official business is to be conducted at the meeting, notice of at least one week must be provided to the general membership.

Bylaw VIII

Election of New Members

SECTION VIII.1. PROCESS Each Fall and Winter semester, the procedure to be conducted for the election of student members is as follows:

- (a) The President will request a list of scholastically eligible students from the Registrar or his/her representative.
- (b) The officers will prepare the list of scholastically eligible students. They will remove the names of all initiated members from the list, as well as others who do not meet the criteria set forth in Bylaw VII. The Secretary will simultaneously prepare the Report of Eligibility for forwarding to the National Headquarters.
- (c) The officers will send a letter of invitation and an information packet to all remaining scholastically eligible undergraduate students.
- (d) Letters from the Dean of the College of Engineering will be sent to each eligible undergraduate student and to the parents of each eligible undergraduate student. Eligible graduate students will receive invitations and information from the Graduate Student Coordinator.
- (e) Each prospective new member must be assessed for exemplary character as defined by the officers in Appendix A or B as appropriate.
- (f) Each electee member must complete the minimum set of requirements as specified in Appendix A or B as appropriate. Where circumstances merit, the Vice President may choose to allow any electee to substitute one form of requirement for another, provided that the total number of hours completed is not diminished as a result of this. In exceptional circumstances, the Advisory Board may, by a 5/7 vote, waive any requirement for any electee.
- (g) Two election of candidates meetings must be held prior to initiation.

- (i) The first meeting ("Second Actives") focuses on the character of the candidates for membership and must be held following the character interviews described in Appendix A or B as appropriate. In a closed session, the active members hold a discussion and vote on each prospective new member's character, the outcome of which must be reported to the candidates and to the second election of candidates meeting, as a recommendation on how to consider the character of those assessed. Those candidates recommended by the Vice President may be considered as a group. Active members will be given the opportunity to remove any questionable candidates from the group. All questionable or not-recommended candidates must be voted on individually. To be recommended, a candidate must receive a three-fourths (3/4) vote of the active membership present at the meeting. Active members, whether undergraduate or graduate students, are eligible to vote on new members.
- (ii) The second election of candidates meeting ("Third Actives") takes place approximately 4 weeks prior to initiation (or enough time as is needed to report the confirmed electees to headquarters) and focuses on the candidates' progress toward completion of the requirements set forth in Appendix A or B as appropriate. Candidates whose character was not discussed at Second Actives must have their character reviewed at this meeting. In a closed session, the active members hold a discussion and vote on whether to elect each candidate to membership. To be elected, a candidate must receive a three-fourths (3/4) vote of the active membership present at the meeting. Active members, whether undergraduate or graduate students, are eligible to vote on new members. Alumni members are not eligible to vote on new members.

At each of these meetings, the Advisory Board may deactivate any member as specified in the [Tau Beta Pi Association Bylaws Section 6.06](#); criteria include non-attendance at that meeting. Unless otherwise specified by the Advisory Board, members so deactivated are automatically reactivated at the end of the meeting.

- (h) Any candidate who is not elected to membership is not eligible to initiate that semester.
- (i) The Vice President must announce either election/recommendation or rejection to the prospective new members following each election of candidate meeting.
- (j) Initiation must be held after all other general meetings and before the end of classes each term. Alternate initiations may be held when needed at the discretion of the officer corps with approval of the Advisory Board.

SECTION VIII.2. ALUMNI AND EMINENT ENGINEER CANDIDATES Election of suitable alumni members and eminent engineer candidates is encouraged by this chapter. Any active member may present to the officer corps nominees for alumni membership prior to the first election of candidates meeting. The nominees' resumes must be presented. At the second election of candidates meeting, the active membership can elect any or all of the nominees.

Bylaw IX Records and Finance

SECTION IX.1. RECORD MAINTENANCE AND TRANSITION Records must be kept up-to-date and in good order. The complete records must be given to the new officers at the officer/advisor transition meeting. The treasurer must turn over copies of his/her records; however, original records will be kept until after the treasurer files the appropriate tax return forms for the chapter. The current copies of the transition reports and the bylaws, as well as a reasonable revision history, will be maintained by the Advisory Board, with help from the Historian as appropriate.

SECTION IX.2. AUTHORIZED SIGNERS The chapter President, the Treasurer, and the Secretary will be signers on the chapter's Student Organization Account Services (SOAS) account. A fourth signer on the account will be either an officer or advisor and designated at the discretion of the other three signers.

SECTION IX.3. FISCAL YEAR The Chapter's fiscal year is January 1 to December 31.

SECTION IX.4. CHAPTER DISSOLUTION In the event that the chapter ceases to exist, any residual assets are bequeathed to the "Tau Beta Pi Centennial Endowment Fund" with the University of Michigan. For the purposes of this section "residual assets" do not include initiation supplies, any Tau Beta Pi or Michigan Gamma insignia, or any assets belonging to joint ventures. Assets belonging to joint ventures must be left to the adjoining parties to be disposed of at their discretion. Initiation supplies and Tau Beta Pi or Michigan Gamma insignia must revert to the national organization, to be disposed of at its discretion.

Bylaw X Active Status

SECTION X.1. MAINTAINING ACTIVE STATUS To achieve active status, a Michigan Gamma Tau Beta Pi member must satisfy one of the following:

- (a) Be an officer, Distinguished Active, or Prestigious Active
